Mark your calendars for April. 8th @ 7:00 p.m. ACA Meeting will be held at the Limestone Presbyterian Church on Rt. 7.

A note from our President

Hi Neighbors, Spring 2026

Again, the Christmas decorations at the entrance was sub-par and I personally apologize. All I can say is that we will try again next year.

During one of the many windstorms; the flagpole was decimated. Thank You to Bill Rogers for clearing it from the entrance along with grabbing the flag. Hopefully it will be repaired and standing soon.

Now to the two major snowstorms, we experienced in January and February. I'm sure some or many of you will not agree with me but for the most part, I feel the contractor did a very good job and was attentive to the many request that flooded in. Please understand, this is not an easy job and many of the complaints were unwarranted. Those who feel differently are more than welcome to attend the spring meeting on Wednesday 04/08/26 and voice your concerns and comments. Just know that although they were two extreme snowstorms; they were also vastly different. The first snowstorm was a freakish event of a snowstorm immediately followed by an ice storm with temps that stayed in single digits to teens for almost 2 weeks afterwards. The second snow storm was followed by temps that were above freezing to mid 40's. This in itself has a huge effect on the rate of snow / ice melting and refreezing. Again, all are welcome to attend the next meeting to make yourself heard.

Speaking of snowstorms, the cost for plowing and salting the roads have put a major dent in our savings. "THANK YOU" to those of you who have paid their dues. To those who have not paid for whatever reason, it's never too late to make your payment for $100.00 to the **Arundel Civic Association.** Checks can be deposited in the Secure mailbox at the entrance or Venmo the money directly to Irene, our treasurer.

If there are areas of concern in addition to the snow, please contact us through email or attend the next meeting. This will avail you to be heard as well as an opportunity to meet your neighbors while enjoying coffee and doughnuts. We would love nothing more than to have an ongoing friendly communication.

Lastly, Please consider volunteering to the Board in whatever way you may feel could benefit the development and surrounding area.

Thank You
Louis Nicastro
President Arundel Civic Association
